THIS SIDE OF CARD IS FOR ADDRESS

WYBC - FM
242A Yale Station

11/3

Gentlemen:

Your programming, in its mixture of folk, jazz, and classics, greatly surprised me. (I had only previously heard of WYBC-A4 before coming here to Yale.)

It is unfortunate that you can not maintain all-day (i.e. 24-hr.) broadcasting.

I am not yet sure whether I approve of your balancing and timing of music: pop in afternoon, classics late at night, etc, but I will, for the moment, reserve further judgment pending analysis. F. Karp
